

DEKALB

STROKE CLUB

DeKalb Medical offers a support group for survivors of stroke.

The DeKalb Stroke Club was formed in 1976, by two survivors recognizing the challenges that stroke patients met struggling with their changing lives. The club gives support to stroke survivors and their family that no other community resource can provide.

The club meets on the **first** Saturday of every month* at **1:30 P.M.** in the Cafeteria Board Room located next to the cafeteria exit, on the ground floor of the DeKalb Medical - North Decatur Campus. Facilitated by a staff member, it is open to all stroke survivors, their families and friends. Survivors of any brain trauma and their support systems are also welcome.

Programs are planned to be of interest to everyone. Some programs are educational and others are for entertainment and relaxation. There are no fees or dues.

For more information, contact DeKalb Medical at
404.501.WELL (9355).

* No meeting in July or December due to holidays.
